Festive

Welcome to the November edition

By the time this arrives Christmas will only be about 5 weeks away! Check out page 6 to see what local events are coming up to get you in the festive mood.

You've just about got time to make any last-minute changes to your home in time for Christmas so remember to support local businesses as they really value their customers - we have a great collection of local tradespeople and businesses who are local and are looking for your custom. Here's hoping the pre-Christmas build up isn't too hectic and that you find the time to relax, maybe over a glass of mulled wine and a mince pie!

a good read

By Natasha Donovan

The Book of Form and Emptiness

by Ruth Ozeki

This is the most beautiful and unusual book I have read for a while. With themes of love, family, grief, mental health, and substance abuse it sounds heavy, but be assured that though the book is heavy at 548 pages, the story is not.

Benny Oh is a 14-year-old boy whose father dies in an unfortunate accident. Benny and his mother Annabelle grieve in their different ways. Annabelle begins to hoard while Benny starts to hear the voices of the objects in his home speak to him; the socks which want to be with their partner and books which want to be organised on the shelf. Benny find this constant noise unsettling and intrusive and retreats to the library where all the things use their quiet voices, and where he meets some wonderful off-grid characters who provide

a moving insight into mental ill-health.

The Book actually narrates the novel. The Book is a character in its own right and interacts with Benny directing him to be the hero of his own story. They even disagree over how to tell the family's back story, particularly when it comes to his mother's sex life. Ozeki blurs the line between Benny's hallucinations and the reality of The Book. Do the objects really talk to him?

Infused with warmth and wisdom the novel has some great characters, like the landlady's evil son who is hell bent on evicting Benny and Annabelle, and a Marie Kondo character who Anabelle appeals to for help, shining a light on how our relationships are impacted by the importance we give to material belongings and the clutter we allow in our lives.

This is an enchanting and highly original novel. I read it then listened to the audio book, narrated by Kerry Shale, which I have to say was even better!

Meet your local Mortgage Advisor.

HELEN TAYLOR

Mortgage & Protection Advisor

I've been securing mortgages for my customers for over 22 years and can help with any mortgage advice and requirements you may need.

The team at Oak Tree Mortgages and I offer a very hands-on and personal service with practical and honest advice. No mortgage requirements are too complicated for us – we can advise on mortgages for shift workers and the self-employed, mortgages for second homes, re-mortgaging for home improvements... or just a simple and straightforward mortgage!

For residential mortgages, we don't charge a broker fee unless the loan amount is below £100,000. We don't have ties to any specific lenders so you can be assured of the most suitable advice for your needs.

- First time mortgages
- Buy to let mortgages
- Advice on re-mortgaging
- Mortgages for home movers

Please get in touch with me for a free consultation to discuss your mortgage requirements.

The Poignant Poppy

Why do we wear the poppy? - Scarlet poppies grow wild all over western Europe wherever the soil has been disturbed. The battles of the First World War churned up such vast areas of earth that millions of poppies germinated and bloomed, often around the bodies of the fallen soldiers. A Canadian surgeon called John McRae wrote the poem *In Flanders Fields*, which many of us study in school. The poem is a haunting memorial to those soldiers who have died in any war and the imagery of the poppies is used to symbolise the deaths of those who fought.

Why do we hold a two-minute silence? - On the eleventh hour of the eleventh day of the eleventh month the guns of World War I fell silent. Four years of fighting and devastation

finally ended. The following year ceremonies of remembrance took place on what was known as Armistice Day. An armistice is an agreement for the cessation of active hostilities between two sides in a war.

An Australian journalist, Edward George Honey first proposed a respectful silence to remember the dead. He wrote a letter to the London Evening News which was brought to the attention of King George V. The king issued a proclamation which called for a two-minute silence. These days Armistice Day is more usually known as Remembrance Sunday and is a chance to honour the fallen soldiers of all conflicts. In the light of the atrocities going on in Ukraine this year, I hope you'll think even more about your poppy and all it stands for.
